* Indicate locations on site map

ASSESSMENT RECOMMEDATION

How does the general layout look?

Good

Fair

Congested

List potential problems or limitations of the site:

- Potential conflict with pre-scheduled events

What would need to be brought in?

- Patient Care / Facility Supplies: Beds, Cots, Bedding
- Potential need for additional handwash stations

Other Comments:

- 2000+ chairs on site
- 500+ tables on site

Decon Area:

Livestock area (covered), also has water access

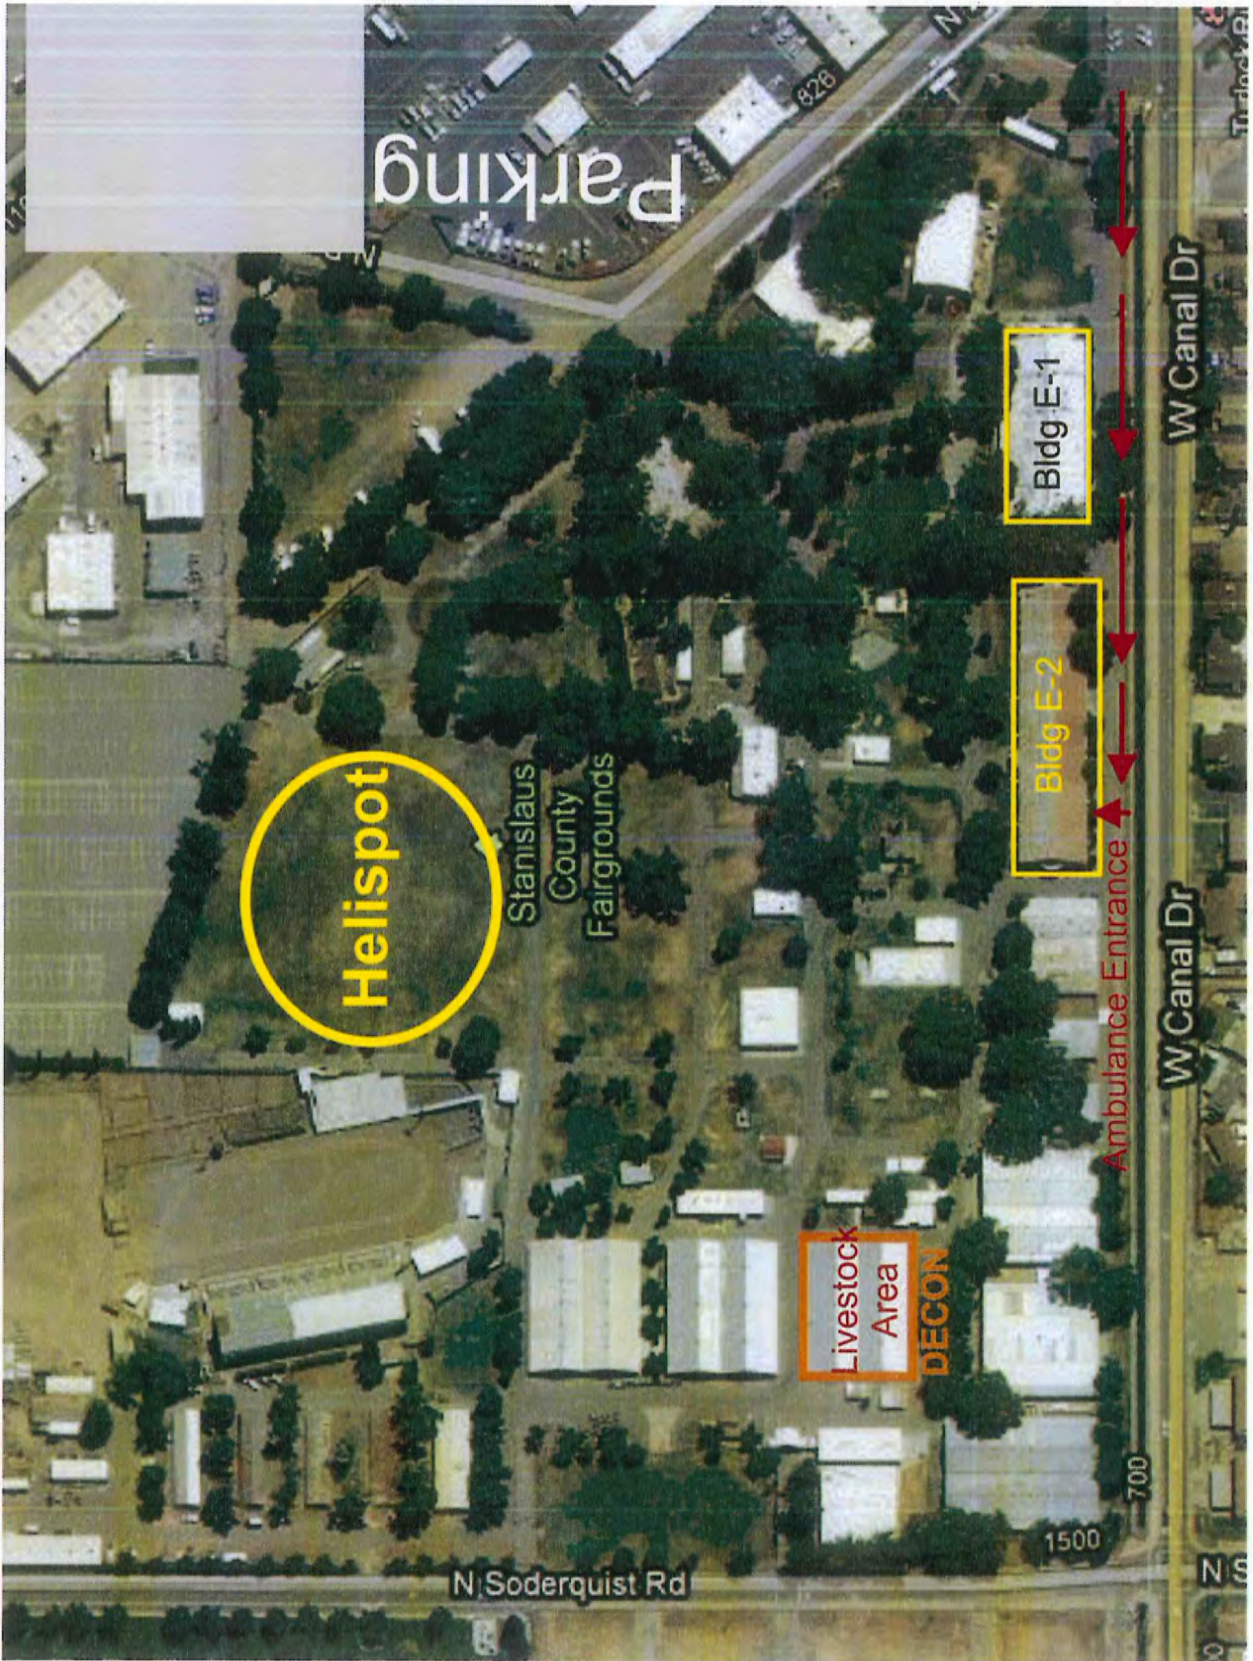

Turlock Rural Fire Station directly across from Canal Drive entrance.

Site Assessor's Recommendation:

 X **Approve** - Site meets or exceeds all essential requirements

 Qualifies - Site meets minimum criteria (May need some additional resources)

 Disapprove - Site does not meet minimum requirements
