ADDENDUM No. 7

08/17/20

NOTICE TO ALL POTENTIAL PROPOSERS:

Notice is hereby given to all potential Proposers that this is an addendum to RFP# MVEMS-2020-3 Exclusive Operator for 9-1-1 Emergency Advanced Life Support Ambulance Transport Services for an Exclusive Operating Area (or Areas) within Calaveras County. Please note the following changes to the proposal before submitting your offer.

A signed and dated copy of this addendum must accompany your proposal.

The following changes have been made to RFP# MVEMS 2020-3 and require amending as follows:

- Page 22, Section 3.1.A, Experience, has been amended to provide a new subparagraph 3 as follows:
 3. Public safety providers must demonstrate that they, or at least more than a majority of their membership if formed as a joint powers authority (JPA), have for the preceding five years been providing first responder services and that a member of the JPA has provided ALS ambulance transportation service for a minimum of 5 years. Additionally, the JPA must show the capability of providing ambulance transportation service at the ALS level for an operating area of population similar in size, geographical spread, population densities, and call volume appropriately similar to those of Calaveras County. Such experience must demonstrate an ability to service rural/wilderness area with extremes in weather (i.e., operations in an area with significant snowfall).
- Page 22, Section 3.1.B, Financial Condition, has been amended to provide a new subparagraph 2 as follows:

2. Public safety providers that are formed as joint powers authorities may satisfy the audit requirement of the preceding paragraph by submitting annual audit reports for the past five years for each of their members.
