**B. Welcome and Introductions**

Ms. Watson conducted a roll call of the JPA Board members.

Chairperson Tofanelli identified the remaining attendees.

**C. Bid Proposal from David Anderson Construction**

Chairperson Tofanelli reported the original bid from David Anderson Construction in the amount of \$38,000 was distributed to the other Board members after the JPA Board of Directors meeting on June 20, 2022. Subsequently, Mr. Cole advised there is a requirement to use prevailing wages and the original quote was not based on that. An updated proposal was received last night.

Supervisor Menetrey asked why prevailing wages are required.

Mr. Cole explained there are a combination of two labor codes that say if public money is being used for the public office space, then prevailing wages must be paid.

Chairperson Tofanelli stated the proposal is now \$50,830.00 and Mr. Cole advised it should meet the limit for this type of project. He said the resulting work will provide a fresh workspace for the Agency staff. Mr. Cole will draft a standard contract to include a 5% retention to be paid at the end of 30 days after completion of the work. He is hopeful to have a signed contract by Monday, June 27, 2022 so work can begin right away. Tom Morton from the Agency will be coordinating with the vendor to run the computer network cabling at the correct stage of the remodel.

M/S/C (Woodrow/Menetrey) To proceed ahead with the tenant improvements.
